

Survey Division  
Form No. 16  
Rev. Dec. 2, 1974

STATE OF OKLAHOMA  
DEPARTMENT OF HIGHWAYS  
SURVEY DIVISION

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations for Survey Division office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Adair Date highwater occurred October 1, 1986  
Highway number US 62 Name of stream Tyner Creek  
Direction and distance from nearest town, village or store 0.5 mile east of Proctor

Section, Township and Range Sec. 8, R17N, R24E
