

STATE OF OKLAHOMA  
DEPARTMENT OF HIGHWAYS  
PLANS AND SURVEY DEPARTMENT

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations for Plans & Survey office record files. This information to be obtained by all Chiefs of Party in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Canadian Date highwater occurred June 23, 1948

Highway number US 66 Name of stream \_\_\_\_\_

Direction and distance from nearest town, village or store East of Yukon on

US 66 just west of 10th Street junction

Section, Township and Range \_\_\_\_\_
