DEPARTMENT OF HIGHWAYS
SURVEY DIVISION

Survey Division
Form No. 16
Rev. Sept. 10, 1961

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations for Survey Division office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Creek Date highwater occurred Sept. 5, 1971

Highway number Alt. US 75 Name of stream Unknown

Direction and distance from nearest town, village or store 3.2 miles south
Jct. SH 67 & Alt. US 75 in Kaefer

Section, Township and Range Sec 5 T-16-N R-12-E
