FLOOD INFORMATION FORM

Survey Division
Form No. 16
Rev. Sept. 10, 1961
RECEIVED
JUN 10 1968
SURVEY DIVISION

RDAT to be used in obtaining and transmitting flood water elevations for Survey Division
ROCO office record files. This information to be obtained by all Chiefs of Party or
DP others in their vicinity in times of unusual high water, or at any time available
IF from a reliable source. The elevations can be recorded by level reading, by measure-
ment from bridge floor, in relation to a house, above roadbed or any other dependable,
clear manner that fits the situation, the highest order possible to be used.
Separate report to be made on each crossing or place obtained.

County GARVIN Date highwater occurred May 31, 1968

Highway number SH # 19 Name of stream N.A.
