Form No. 16

REV. Dec 12 1974

MAY 3 1977

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.
