Plans & Survey Dept.
Form No. 16
Rev. July 10, 1947

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations for Plans & Survey office record files. This information to be obtained by all Chiefs of Party in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Jefferson Date highwater occurred June 19, 1962

Highway number S H #5 Name of stream Cow Creek

Direction and distance from nearest town, village or store From intersection of S H #5 & U S 81 Alt in Waurika, Oklahoma., 0.5 mile west on S H #5.
