SURVEY DIVISION

Survey Division  
Form No. 16  
Rev. Sept. 10, 1961

FLOOD INFORMATION FORM

Key Co

To be used in obtaining and transmitting flood water elevations for Survey Division office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Key Date highwater occurred July 25, 1967

Highway number US 60- F-125(3) Name of stream Bois D' Arc Creek

Direction and distance from nearest town, village or store Approx. 1.5 miles

East junction US 60 and SH 156, Old 77
