Survey Division
 Form No. 16
 Rev. Sept. 10, 1961

STATE OF OKLAHOMA
 DEPARTMENT OF HIGHWAYS
 SURVEY DIVISION

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations for Survey Division office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County LeFlore Date highwater occurred May 15, 1968

Highway number US 271 Name of stream Cedar Creek

Direction and distance from nearest town, village or store Approximately 8 1/2 miles east of Spiro, Oklahoma, and approximately 2 miles west of the Oklahoma-Arkansas State Line, on US 271.

Section, Township and Range Section 5, T-9-N, R-27-E

Description of Location Hi-water elevation obtained at the west end of the present US 271 concrete bridge in place on US 271 crossing of Cedar Creek.

Elevation 15.8 feet below BM (BM described below) Source of levels _____

Method obtained Measured down from Bridge Floor. Date obtained May 15, 1968

Did it appear to be normal medium extreme do not know

Was highwater mark obtained from actual water, drift, local resident, U. S. Engineers, etc.? Actual water elevation. Obtained by Moran and two members of this party.

Explanatory Remarks High-water is back water from Poteau River. Water appeared to be at its peak elevation. The Poteau River at Poteau, Oklahoma had subsided approximately 4 feet at time this elevation on Cedar Creek was obtained. - The rain guage at the State Highway Dept. Maintenance Office at Poteau measured 7.85 inches of rain which fell on May 13th & 14th, 1968. Water did not overflow present US 271 paving.

Location to be shown on back of this sheet as a check.

Field Note: To be sent to
