

STATE OF OKLAHOMA
DEPARTMENT OF HIGHWAYS
SURVEY DIVISION

Survey Division
Form No. 16
Rev. Sept. 10, 1961

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations for Survey Division office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Logan Date highwater occurred November 4, 1974

Highway number US 77 Name of stream Cimarron River

Direction and distance from nearest town, village or store 2.2 Miles North of
Jet US 77 and SH 33 in Guthrie

Section, Township and Range Between Sec 32 and 33, T-17-N, R-2-W
