SURVEY DIVISION

FLOOD INFORMATION FORM

Survey Division
Form No. 16
Rev. Dec. 2, 1974

To be used in obtaining and transmitting flood water elevations for Survey Division office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing of place obtained.

County MUSKOGEE Date of highwater occurred 12-15-92
