Dear Mr. Wortham:

Receipt of your letter dated 29 June 1948 regarding elevation of recent high water on the South Canadian River at Whitefield, Oklahoma, Haskell County, is acknowledged.

In connection with the above, you are advised that June 24, 1948 high water mark at the above-referenced point was 498.96 mean sea level.

FOR THE DISTRICT ENGINEER:

Very truly yours,

ROBERT W. NOBLE
Executive Assistant
