Section, Township, Range:	Section 8, Township 26 North, Range 16 East
Description of Location:	Primary Highway
Highwater Elevation:	671.27
Level Datum & Source:	NAVD 88 from BM #64 on SWO 3928
Method used:	Optical Level
Date Elevation Obtained:	08/01/2007
Apparent Magnitude:	Normal <input type="checkbox"/> Medium <input type="checkbox"/> Extreme X Don't Know <input type="checkbox"/>
Was Highwater Mark obtained from actual water, drift, local resident, or other source?	Shortly after the crest of California Creek the ODOT maintenance worker that was guarding the road closed barricades showed me the high-water mark. I marked the pavement and established an elevation at a later time.
Explanatory Remarks:
