STATE OF OKLAHOMA
DEPARTMENT OF HIGHWAYS
SURVEY DIVISION

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations for Survey Division
office record files. This information to be obtained by all Chiefs of Party or
others in their vicinity in times of unusual high water, or at any time available
from a reliable source. The elevations can be recorded by level reading, by measure-
ment from bridge floor, in relation to a house, above roadbed or any other dependable,
clear manner that fits the situation, the highest order possible to be used.
Separate report to be made on each crossing or place obtained.
