FLOOD INFORMATION FORM

RECEIVED
Survey Division
Form No. 16
Rev. Sept. 10, 1961
SEP 25 1969
SURVEY DIVISION

To be used in obtaining and transmitting flood water elevations for Survey Division office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Tillman Date highwater occurred September 21, 1969

Highway number SH 54 Name of stream UNKNOWN
