FLOOD INFORMATION FORM

Plans & Survey Dept.
Form No. 16
Rev. July 10, 1947
MAY 22 1961
SURVEY DIVISION

To be used in obtaining and transmitting flood water elevations for Plans & Survey office record files. This information to be obtained by all Chiefs of Party in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Tulsa Date highwater occurred May 9, 1961 (Location)
US 75 (New Location)
Highway number (Now under construction) of stream Bird Creek
Direction and distance from nearest town, village or store Approximately 1/2 Mile East and One and 3/4 mile south of Owasso on New location of US 75 made under SWO 2109 (1). (Now under construction)

Section, Township and Range Section 5, T-20-N, R-14-E
