

STATE OF OKLAHOMA  
DEPARTMENT OF HIGHWAYS  
SURVEY DIVISION

Survey Division  
Form No. 16  
Rev. Dec. 2, 1974

FLOOD INFORMATION FORM

To be used in obtaining and transmitting flood water elevations for Survey Division office record files. This information to be obtained by all Chiefs of Party or others in their vicinity in times of unusual high water, or at any time available from a reliable source. The elevations can be recorded by level reading, by measurement from bridge floor, in relation to a house, above roadbed or any other dependable, clear manner that fits the situation, the highest order possible to be used. Separate report to be made on each crossing or place obtained.

County Sequoyah Date highwater occurred October 7, 1986

Highway number US 64 Name of stream Arkansas River

Direction and distance from nearest town, village or store At the Arkansas River bridge at the west edge of Ft. Smith, Arkansas

Section, Township and Range Section 27, R11N, R27E

Description of Location \_\_\_\_\_

Elevation \_\_\_\_\_ Source of levels \_\_\_\_\_

Method obtained Fennel Level Date obtained \_\_\_\_\_

Did it appear to be  normal  medium  extreme  do not know
